**The plot for "Do You Believe?":** *A dozen different souls, all moving in different directions, all longing for something more. As their lives unexpectedly intersect, they each are about to discover there is power in the Cross of Christ, even if they don't yet believe it. When a local pastor is shaken to the core by the visible faith of an old street corner preacher, he is reminded that true belief always requires action. His response ignites a faith-fueled journey that powerfully impacts everyone it touches in ways that only God could orchestrate. More than a movie, it's a question we all must answer in our lifetimes: DO YOU BELIEVE? —Pure Flix Entertainment*
