FOR A CHUCKLE-A Sunday school teacher was teaching her class about the difference between right and wrong. "All right children, let's take another example," she said, "If I were to get into a man's pocket and take his billfold with all his money, what would I be?" Little Johnny raises his hand, and with a confident smile, he blurts out, "You'd be his wife!"

THOUGHT FOR THE WEEK: "Faith isn't about knowing all of the right stuff or obeying a list of rules. It's something more, something more costly because it involves being present and making a sacrifice. Perhaps that's why Jesus is sometimes called Immanuel — "God with us." I think that's what God had in mind, for Jesus to be present, to just be with us. It's also what he has in mind for us when it comes to other people. —Bob Goff, *Love Does*
