TRANSITION TEAM UPDATE

The Transition team met on May 10, 2022. Pastor Schoolcraft provided a scripture reading and opening prayer. Each member of the team received a memo that provided the team's purpose, focus and proposed outcomes. Ultimately, our goal is to provide clarity to Trinity's Core Values, Mission, and Vision for the future. We will develop a Congregational Profile which will be instrumental in giving direction to the Call Committee as they qualify Pastoral candidates with the specific needs and gifts for Trinity's future ministry. A brief update was provided to Pastor Schoolcraft regarding the team's completed tasks to date. Roy Egeland will serve as co-chair of the team. New team alignments and tasks were discussed. Joan Egeland will lead a Ministry and Staffing team. Marilyn Detizio will lead the cottage session team. Plans are developing to hold cottage sessions soon. These sessions will provide the congregation an opportunity to identify what they feel is God's purpose for Trinity and ideas to fulfill this purpose. Dates will be announced after the next meeting on May 17, 2022. Carol Keenan, prayer team lead, closed the meeting with prayer. Please contact her at fromhisflock1@gmail.com if you are interested in participating on her prayer team. As always, we thank you for your continued prayers for our transition. Blessings, in the name of Jesus, Carolyn Fortin, team lead

We're pleased to announce that on **Saturday, June 11 & Sunday, June 12**, the [Bethany Lutheran Sunrise Singers](#) of Austin, Texas, will be assisting us with our worship services on this weekend. These very talented high school students will be presenting the Gospel message in a special musical/drama entitled, "**Moment of Truth.**" As a result, we are in need of at least 11 homes to host these students and their chaperones the night of June 11th. All host families will need to provide accommodations and transportation to and from the church for at least 2 youth. If you are willing to serve as a Host Home, or if you have any questions at all, please contact Pam Bixler (419) 420-2356.
